

FAQ Kilifair “My Tanzania” Roadshow 2020

in cooperation with

1) Why should I exhibit?

Due to the cancellation of ITB-Berlin and other European fairs, our Marketing for German speaking countries needs extra efforts to maintain or boost the business.

German speaking countries Germany / Austria / Switzerland have been, with 84,000 tourists in 2018, the second largest tourist source market for Tanzania & Zanzibar – right after USA and even before UK. Reason enough for the KILIFAIR team to organize a Roadshow for Tanzanian DMC's & Accommodation properties to the main 3 countries, in the heart of Europe.

A maximum of 30 exhibitors (Tour companies, Hotels, Lodges, Airlines) from Tanzania will meet 40-60 selected buyers daily in Frankfurt/Germany, Munich/Germany, Zurich/Switzerland and Vienna/Austria. Get in touch with your future business partners right at base – in their home country and learn more about their customs, travel needs & culture in our 2 “free of charge” workshops.

Unlike any other Roadshows, KILIFAIR “My Africa” Roadshow 2020 is 100% invitation based. We carefully choose the buyers from the Kilifair data base, by personal contacts and with the professional sourcing data base of our cooperation partner [KPRN](#) Network, Germany's leading tourism marketing agency. This will guarantee you best agent/buyer quality.

Ethiopian Airlines, Africa's leading international airline, will be our reliable partner to bring the team from Africa to Europe and join us with an own exhibition table throughout the tour.

Yes, you need a so called "Schengen Visa". We will provide the German embassy in Dar es Salaam with a complete exhibitor list of our Roadshow to support the VISA process. Please note that it's each Tanzanian exhibitor's own responsibility to apply for a [VISA](#) at the German embassy in Dar es Salaam. Please arrange your online appointment early enough.

If you have any problems, please feel free to contact us: laura@kilifair.com / +255 (0)755 468950. Furthermore, we will provide an invitation/confirmation letter for easier visa process.

10) Where can I find the floorplan to choose my table?

Due to the nature of our Roadshow and different hotel venues, we won't be able to provide a layout plan. Tables will be given away on "first come – first served" base from 14:30 on each event day. Displays with your company name & logo will be available. As all buyers rotate to each table, there is no "poor spot".

11) Can I access the list of buyers in advance and make appointments with them?

We don't provide a list of invited & registered buyers for each event a few days before (company name & contact person), but there is no need to make individual appointments with them. Our special rotation system during the event will ensure that every exhibitor meets every buyer. No need to worry about it!

A detailed contact list of all attending buyers of each city will be sent to you right after the event.

12) What is the meaning of daily raffle & minute of fame?

At the end of each event day, we will offer 3 prizes donated by exhibitors to the attending agents/buyers. It will give the donators an additional marketing opportunity to talk within a "minute of fame" about their product.

Please note that the raffle will only take place if exhibitors donate prizes. Those can be one or more free overnights at your accommodation, a free specific day-tour, some typical Tanzanian products, etc... Everything is welcome and will contribute to a joyful atmosphere during the event.

13) What do I have to bring along?

It's up to the exhibitor what to bring for best marketing action. Please find a check list of ideas below:

Roll-up banner (max. 2 for each table), African style tablecloth, Brochures, Flyers, Business cards, Tablet or Laptop for presentations, VR glasses, Contact book, stapler, pens, etc. If you like to participate to the raffle, please bring vouchers or/and the prizes.

14) What climate to expect?

October is usually a gently month in central Europe and often called “Golden October” with golden, but a bit chilly & sunny days. You can expect day temperatures from 10-20°C during this time of the year, with intermezzo of sun & some rain showers. Please bring jackets & a bit warmer clothes.
